2012

To all members of the MCVFPA:

As I begin my forth year as your President, I would like to thank every one of you for the good work you do, not only for our Association, but also for your home fire companies and your communities. You are the unsung heroes of the volunteer fire service.

As we move forward into 2012, please take a moment to remember our fellow officers who answered their last call in 2011. They will be missed, but never forgotten.

In 2012, I look forward to serving the Association to the best of my ability. I cannot do it alone. To be successful, it is essential that all members of our Association take an active role. It is your organization. I challenge you to increase our membership this year with an active recruiting effort. Together we can make 2012 our best year yet with your active participation.

God bless you and your families. God Bless America.

Respectfully,
